

Biography

Daryl "Duke" Winner *Director of Construction*

Duke Winner joined Burns & Scalo Real Estate Services, Inc. in 2002 to lead the firm's construction division. With more than thirty years of experience, Duke is well versed in all facets of the construction trade. Throughout his work experience, he has performed as Construction Manager, Project Superintendent, Estimator and, most currently, Director of Construction.

Duke has effectively coordinated all phases of construction projects, working closely with all involved to ensure a timely and successful completion. Within this process, he has negotiated subcontractor and supplier contracts, overseen estimate scheduling and accuracy, retained cost-effective budgets and preserved tenant relations.

With projects ranging from \$100,000 to \$63,000,000, Duke's notable developments include:

- \$63 million – Traco (Three Rivers Aluminum Company) – Cranberry, PA
- \$35 million – Vekaplastic USA – Fombell, PA
- \$18 million – Sto-Rox Middle School – McKees Rocks, PA
- \$13 million – Mount Ararat Church – Pittsburgh, PA
- \$9 million – Margaret Ross Elementary School – Aliquippa, PA
- \$6.7 million – Tracy High Rise – Pittsburgh, PA
- \$5.7 million – Lockhart Tower – Pittsburgh, PA
- \$5 million – Independence Elementary School, Hopewell School District – Aliquippa, PA
- \$4.6 million – Cambridge Village Nursing Home – Beaver Falls, PA
- \$3 million – Burns & Scalo Roofing Company Headquarters – Thornburg, PA
- \$2.5 million – Ellsworth Avenue – Shadyside, PA
- \$2.3 million – Sewickley Condominiums – Sewickley, PA

Duke has an extensive history with leading area contractors and subcontractors, allowing him to correlate specific projects with the right organizations. He maintains an excellent rapport with his colleagues as he upholds a standard of professionalism and quality.
