FOR IMMEDIATE RELEASE

PITTSBURGH AIRPORT CHAMBER OF COMMERCE ANNOUNCES PLANS TO RELOCATE OFFICES

December 8, 2009 (Findlay Township, PA) Burns & Scalo Real Estate Services Inc. will break ground in the Spring of 2010 on a new 53,000 SF, office/flex, LEED Certified Green building. The Pittsburgh Airport Chamber of Commerce and The Chamber Enterprise Foundation have announced plans to relocate their offices to this location once construction is complete.

The site is located at the intersection of Industry Drive and McClaren Road with visibility from I-376. The building will be a Class G Building utilizing green innovation and construction. Features of the building include abundant natural light, a proposed roof top garden and energy efficient mechanical systems. Additional features include custom design of interior layouts, high ceilings, landscaped courtyards, loading dock accessibility and no common areas . “The completed project will take advantage of a superior location with high visibility, offering a rare opportunity within the Parkway West corridor for tenants looking to secure space within a quality development. Tenants can also benefit by not having to pay rent on common areas typically associated with multi-tenanted buildings,” said Gregory Schuster, Director of Brokerage Services for Burns & Scalo Real Estate Inc. Additional space is available and being marketing by Burns & Scalo Real Estate Services Inc.

“The PAACC is proud to be the voice of over 1,000 businesses in the airport corridor communities surrounding the Greater Pittsburgh International Airport and beyond. This new location will help us fulfill our mission and provide easier access to The Chamber’s business and community resources. We’re very excited about creating an environment where we will help incubate business start-ups, assist those exploring doing business in our region from outside the State and internationally, as well as support Veterans, women and minorities in business,” said Sally Haas, President of the Pittsburgh Airport Area Chamber of Commerce.
